SUBJECT: POINTS DELIVERED: CHINA AND TAIWAN IN OIE

REF: STATE 67444

(SBU) On May 21 we delivered reftel points to Norwegian MFA Desk Officer for China Jannike Graatrud. Graatrud had no immediate comment but said she will forward points to Ministry of Agriculture and to Norwegian delegation at the OIE meeting. On May 10 we discussed Norwegian and U.S. positions on this issue with Ministry of Agriculture Deputy Director General Steinar Svanemyr. Svanemyr told us that Norway would likely follow the USG's lead. Post will inform the Department of any further substantive response.
